AVL RUMEN RX POWDER

Ruminatoric Powder

Veterinary Use Only

DIN: 02406667

WARNINGS: Keep out of reach of children. No meat withdrawal period and milk withholding time are required when used according to the label.

ACTIVE INGREDIENTS - each 28.35 g contains:

Magnesium oxide	15 g
Kaolin	12.37 g
Sodium Thiosulfate Pentahydrate	1100 mg
Ginger	75 mg
Capsicum	75 mg

INDICATIONS: As an aid in the treatment of chronic bloat, atony of the rumen, engorgement (grain overload) and toxic indigestion in cattle. Provides antacid, ruminatoric and carminative action without dehydration.

DOSAGE AND ADMINISTRATION:

Mature Cattle: Suspend the contents of this package (454 g) in 2.27 L (two quarts) or more of water by stirring. When well mixed, administer orally as a drench or with a stomach tube 1 to 2 times a day for 2 to 3 days or use as recommended by a veterinarian. Keep suspension well agitated during administration.

CAUTION: If no improvement is observed within 12 hours, consult a veterinarian. In cases of excessive grain ingestion, consult a veterinarian immediately.

STORAGE: Store at 15° - 30°C. Protect from excessive heat and moisture.

PRESENTATION: 454 g

PRODUCT CODE: RRX454
